AMCSI 22nd ANNUAL CONFERENCE

June 30 - July 3, 2027 | Columbus, Ohio

Every year, the AMCSI Annual Conference brings together children, adults, caregivers, medical professionals, and friends from around the world who are connected by Arthrogryposis. For many families, it is the first time they meet someone else living with AMC. Lifelong friendships are formed, questions are answered, and hope grows through shared experiences.

Your support through sponsorships, exhibitor tables, and conference program advertising makes these moments possible. It helps us provide meaningful educational sessions led by leading medical professionals, create memorable activities and social events, and most importantly, fund the AMCSI Annual Conference Scholarship Grant. That grant gives families the opportunity to attend who otherwise could not, often experiencing the conference for the very first time.

There is no better way to understand the impact of your support than through the words of those who have lived it:

Mikki (Ryan's Mom):

"I have always wanted to attend the annual conference. This year I thought was a good year because Ryan (my AMCer) turned 18, and we are trying to figure out what is next for him. Ryan also had never met another person with Arthrogryposis, so it would also be a good opportunity to see what life looks like with other people who share his disability. I can only say that it was the best 5 days in a long time. We felt so accepted and able to ask questions and talk openly about day-to-day life and strategies/struggles. The sessions I attended all gave me takeaways. They gave me some information that I hadn't heard before, as well as ideas for the future, including getting more information about repeating some surgeries Ryan had as a baby. I think this time with friends that share Ryan's disability gave him a whole new outlook on being independent and figuring out his way. We are already talking about attending next year and figuring out plans for how we can raise funds for AMCSI. We want the conference to continue for years to come."

From Ryan:

"My favorite part of the conference was the teen session because that's where I met a lot of my friends at the conference, and it was funny and cool to go to something where everyone had the same disability as me."

Stories like Mikki's and Ryan's remind us why this conference matters. Your generosity creates opportunities for families to connect, learn, laugh, and build lasting memories together. It helps us offer engaging seminar sessions, bring together respected medical experts, create unforgettable evening events, and provide experiences that strengthen confidence and community long after everyone returns home.

Thank you for investing in the AMC community. Your partnership does far more than support a conference. It helps create connections, knowledge, and memories that families carry with them for a lifetime.

AMCSI 22nd ANNUAL CONFERENCE

June 30 - July 3, 2027 | Columbus, Ohio
